[ ] Mr. Mosher thanked  
us very much for our assistance and courtesy and stated that in his  
judgment no further action need be taken by the Agency in this matter.  
We have more than fulfilled his request by meeting with [ ] 25X1

appreciative of having the opportunity to gain a better perspective of the  
entire Agency. Furthermore, he was most impressed by the caliber of  
people and the complexity of the work. He commented that it was a wonder  
to him that the Agency was able to secure the brains it needed for this type  
of work.

25X1 3. [ ] Talked to Senator Leverett Saltonstall's  
office endeavoring to see him in connection with THE BAY OF PIGS book

25X1 4. [ ] Also tried to make arrangements to  
see Representative Leslie Arends on the same matter as above but he too

6. [REDACTED] talked with William Gullledge, Staff Director of the Senate Post Office and Civil Service Committee, on the pay bill. A clear impression was received that the Committee plans to amend the Executive Pay Bill so that the specific positions in categories IV, V and VI will be listed rather than leaving them to the discretion of the President. It was indicated that discussions were beginning on this with the Bureau of the Budget and the Civil Service Commission.
